Dear Bison ,

We are eagerly anticipating another season on the hardwood here at Station Camp. This year, our basketball program is moving into the highly competitive District 9-AAA. This district includes Beech, Hendersonville, Gallatin, Lebanon, Mt Juliet, Portland, and Wilson Central. With these new teams on the schedule and some very highly competitive non district games, this will make for the toughest schedule we have ever had at Station Camp. We accept the challenge and look forward to competing against the best teams in the mid state.

This year we will be a very young team. We have lost 9 players off last year's district championship team. It has been exciting for our coaches to have so many new faces in practice that are eager to learn and get better. The guys have practiced extremely hard in preparation for the season.

Also new this year is the dribble drive motion offense. We are implementing this offense because we feel it is something that plays to the strengths of our team which is shooting the basketball. The guys really enjoy running the offense and it will be fun to watch in the coming months.

I'm pleased to let you know that Brandon Averitte is our new freshman coach. Brandon Jagers is assisting him. We are happy to have these guys on board. We look forward to another season of basketball here at Station Camp. Its here!!!!

QUOTE OF THE MONTH

We expect excellence in these areas

1. Attitude
2. Effort
3. Execution

Defense is a constant. It doesn't leave you in some games like your jump shot may. You can have it 100% of the time. Defense is nothing more than attitude and effort.

We want our guys to play hard, smart, and together.
